WORK EXPERIENCE

Engineering in film industry and Cinematographer assistant Nu Boyana Film Studio

04/2011 – 03/2019

Bulgaria

Nu Boyana is one of the leading film production studios in Europe.

Achievements/Tasks

- As a cinematographer assistant my work was to talk with clients from all over the world about filming requirements, to lead a team, to mentor interns, to manage deadlines, to film movies as a part of the filming team. As a film industry engineer I had to maintain the most modern film industry technologies.
